bean to cup coffee machine

Fresh Beans and Fresh Milk

Introducing the HLF 4600f Fresh. This medium-high capacity bean to cup coffee machine combines **technical excellence** with versatility, convenience and clean simple styling. The HLF 4600f Fresh utilises fresh beans and fresh milk for the **best possible** coffees, plus with 2 internal powder canisters it can also serve hot chocolate, mocha and decaf coffees. This **flexible functionality** allows the customer to choose from 12 different drinks.

up to 300 cups per day

- Can produce up to 300 cups per day.
- Uses fresh beans and fresh milk for the best possible drink quality.
- Intuitive touch pad and LCD display, perfect for self service or staff use with minimal training.
- Choose from 12 different drinks, all of coffee shop quality, at the touch of a button.
- Full metal body ensures the HLF 4600f is hard wearing, easy to clean and has a simple yet elegant style.
- Dual bean hoppers and twin grinders allow for fresh bean and fresh bean decaf coffee.
- Twin boilers, separate steam and hot water, allow for a faster service.
